

AMENDMENTS TO THE CLAIMS:

This listing of claims will replace all prior versions and listings of claims in the application:

Claims 1-8 (canceled).

9. (Currently Amended) A method of treating an infection caused by at least one of a virus and a bacterium comprising administering to a subject an effective amount of a composition comprising C1 esterase inhibitor, wherein the at least one virus or bacterium comprises at least one of haemagglutinin and neuraminidase ~~The method of claim 7, and~~ wherein the virus is chosen from orthomyxovirus, paramyxovirus, and rotavirus.

10. (Previously Presented) The method of claim 9, wherein the orthomyxovirus is chosen from influenza A virus and influenza B virus.

11. (Previously Presented) The method of claim 9, wherein the paramyxovirus is chosen from parainfluenza, mumps virus, and measles virus.

Claims 12-16 (canceled).

17. (Currently Amended) A method of modulating an immune response to a virus, to a bacterium, or to a vaccine against the virus or bacterium comprising administering to a subject a composition comprising C1 esterase inhibitor, wherein the virus or bacterium comprises at least one of haemagglutinin and neuraminidase ~~The method of claim 16, and~~ wherein the virus is chosen from orthomyxovirus, paramyxovirus, and rotavirus.

18. (Previously Presented) The method of claim 17, wherein the orthomyxovirus is chosen from influenza A virus and influenza B virus.

19. (Previously Presented) The method of claim 17, wherein the paramyxovirus is chosen from parainfluenza, mumps virus, and measles virus.

Claims 20-35 (canceled).
